Monday on legal business.

The Lafayette Clothing Store has a beautiful line of straw hats, something neat and very stylish.

**A Generous Act.**

Simeon **Begnaud** and A. Judice, two of Lafayette's liberal and progressive citizens, offered the School Board at its last meeting to build the **Begnaud** school, and let the Board repay the money at their convenience without interest. Such a generous act on the part of these two gentlemen deserves the highest appreciation, and should be an example promptly to be imitated by those in a position to do so. Were others to do likewise, the day of the cabin and shack would soon close, and instead, modern, comfortable school houses would dot the parish and stand as monuments to the large-hearted, patriotic men, who believe that services for their fellowmen is the lightest achievement.
