Miss Eleanor Woodworth

Wichita, Kans.

My dear friend :-

Having reread your letter, I see it has been some time since I recieved it. But if you will always wait long enough you will hear from me some day.

My sister, living at Winfield has been here but

returned home Sunday. She has the sweetest baby. We had a very nice visit and all of us were home one Sunday except my brother at Wichita.

My friend, Miss Simpkins of Augusta spent three days with me week before last.

My pen and I do not agree very well, consequently this scribbling. ha! ha!

I am planning to have a social the seventeenth of

May for the benefit of the  
Sunday School. If it is  
successful, I'll tell you  
about it next time I  
write. I remain

Yours sincerely

Leach Palmer.
